Part One: giving the nature of the document.

This document is a

The name of the is as we can see in the corner.

Part Two: describing the document, using location adverbs.

On the we can see a walking in the She a mobile phone in her hand. She does not ahead. She is focused on her

The mobile phone is right in the of the cartoon and it

On the of the cartoon, we can a huge (road) sign. It is than the woman. On the sign we can read "TEXT MSG AT OWN RISK" in letters.

From the length of her strides, we may that the woman seems to at high She also holds on her tightly, which underlines her (or stress). She is so in her text message that she see the danger

Thus it seems that the woman is going to the (road) sign.

Part Three: explaining the document

The cartoonist capital letters to write a message about text messaging. He even used to do so. Moreover, the message is as high as the cartoon and it tells about risks in dealing with text messages.

Such a between the huge of the message and the woman the problem leads the viewer to the only possible conclusion: a to come, or worse, an.....

More generally, the cartoonists certainly wants to the fact that new technologies – especially trendy - , may detract/divert us from
