

INGROUP OUTGROUP SOCIAL IDENTIFICATION

<https://www.youtube.com/watch?v=ga4Zr7P25o0>

0:22 - Where are they? Who can you see? What are they like? What do they all wear? What is the name of the school? Where is it located?

0:30 – What sort of group can you see? What are they all doing?

1:12 – What happens during break time?

1:19 – Name the different groups we meet and find what their members have in common.

2:37 – Why is 13 an important age?

3:32 - What do you know about this girl (name, personality...)? Does she feel independent or dependent? Is she happy about that?

3:37 – Is she part of a group? Justify your answer. What can you gain from being part of a group?
