

You already have 40 questions in hands about your work experience, but you should also get ready to answer the following ones...

ABOUT YOUR INTERNSHIP

Why did you choose this company?

Why did you choose to be/ not to be an apprentice?

What can you tell me about your work environment/ workplace atmosphere?

How did you find this work placement? Was there an interview? How was it?

What hardware/software did you use for your project? Assess its efficiency for your work.

How did your colleagues treat you?

Did you use any English during your internship? If so, when and where?

Did the company offer to take you on permanently?

Would you say your work placement was a useful experience for you? In what way?

What difficulties did you face during your work experience?

What did you do to overcome them?

Did you work on a team or by yourself? What are the pros and cons?

Has your work placement change your attitude / your vision of working life / your choice of a career?

What disappointed you during your experience?

What skills did you gain/learn/improve? Do you think they will be useful later on? What would you have liked to improve on?

What qualities did you develop?

What are your future plans?

Was this training period helpful for your future plans?

ABOUT YOURSELF

What is your greatest weakness?

What is your greatest strength?

How would you describe yourself?

Do you work well with other people?

How do you handle stress and pressure?
