

WWOOFING

Watch the video and complete the transcript :

Wwoofing is on an
You've got the to people, with them and
encounter their

It's a lot of but also you do you wouldn't as an
.....

Wwoofing is an which people to around the
world and to farms to learn and some
experience from, people who animals, people
.....doand generally learn the

Guest's point of view: We really this and also we learn lots of
..... like how to build a chicken house or what is it all about with the organic
..... .

Host1's point of view: It is an opportunity to some wonderful young people
and them now as of our family.

Host2's point of view: We've got to know people and how they are
thinking, and it's very for us to know that people are thinking about the
..... and how to their living.
